page 1

Ten yellow chickens sitting on the wall.

Dziesięć żółtych kurczaków siedzi na murku.

Ten yellow chickens sitting on the wall.

Dziesięć żółtych kurczaków siedzi na murku.

But when one yellow chicken accidentally falls.

Lecz kiedy jeden żółty kurczak przez przypadek spadnie,

There'll be nine yellow chickens sitting on the wall.

To będzie dziewięć żółtych kurczaków siedzieć na murku.

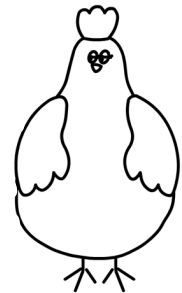

Nine yellow chickens sitting on the wall.

Nine yellow chickens sitting on the wall.

But when one yellow chicken accidentally falls,

There'll be eight yellow chickens sitting on the wall.
